- > and much more!

TRADE SHOW

A trade show with 350 exhibitors presenting new environmental technologies:

Businesses representing sectors such as: water, waste management, soil and groundwater from Quebec, Canada, Belgium, Denmark, France, Germany and many more.

BUSINESS MATCHMAKING

1,500 BUSINESS MATCHMAKING ATTENDEES (B2B)

Attendees are also invited to present their products, technologies, search results and services on our dynamic stage in the Exhibition hall.

EVENTS HELD DURING AMERICANA

The *Rencontre internationale des municipalités efficaces*, organized by the *Association québécoise pour la maîtrise de l'énergie*, will be held during AMERICANA. This event, with honorary chair Denis Coderre, mayor of Montréal and President of Metropolis, is intended for mayors and their representatives from all over the world. On the agenda: **energy, resiliency, urbanization, energy transition and territorial development.**

Misa Group, a group of senior executives from Quebec's leading mining companies, is organizing a day of activities for its members. Members are also available to participate in the matchmaking activities.
