LET'S ADD IT UP!

PART 1

How many milk and juice cartons do you use each week?

Let's find out!

For one full school week you will draw the number of milk or juice cartons you use every day. For example, if you used two juice cartons and one milk carton on Monday, you would draw three cartons. (You can ask your parents to help if you want.)

MONDAY			DAILY TOTAL
TUESDAY			DAILY TOTAL
WEDNESDAY			DAILY TOTAL
THURSDAY			DAILY TOTAL
FRIDAY			DAILY TOTAL

Add up the number of cartons	you used this week	and write the numb	oer below
------------------------------	--------------------	--------------------	-----------

I USED	_CARTONS THIS WEEK.

PART 2

Draw a picture on the back of this page showing how you can make sure all of the cartons used at school and at home are recycled.
